Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 27 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely dry and fine, with some scattered showers later.

Today:
A largely dry and fine morning with some patchy cloud throughout, allowing for sunny spells. Scattered showers move into the region, more frequent in the east, in the afternoon. Winds remaining light, feeling mild. Maximum temperature 15 deg C (59 deg F).

Tonight:
Scattered showers continue in the east, easing in the west this evening, before further showers develop overnight, some heavy, especially in eastern areas. Feeling milder than recently. Minimum temperature 5 deg C (41 deg F).

Wednesday:
Another cloudy day, with showers, these heavy at times. Showers becoming more organised in eastern areas through the day. Feeling colder than recently. Maximum temperature 12 deg C (54 deg F).

Outlook for Thursday to Saturday:
Largely dry with patchy cloud and a few scattered showers through Thursday to Saturday, allowing for some sunny spells. Possibly heavier showers on Friday. Nights becoming cold again.
